Regulatory Disclaimer

Last updated: November 2019

Most of the products sold and supported by Eddy Wireless contain Regulatory and non-Regulatory information. Please request regulatory conformance information in advance of your purchase for non-USA territories or foreign countries usage.

Product regulatory information contained on www.eddywireless.biz, www.eddywireless.com websites (for products and services) are generally sold for applications in the USA. Eddy Wireless assumes no responsibility for products used in non-authorized countries or regions whereby Regulatory Certifications have not been approved and completed by principals. For specific product regulatory information, please request regulatory information by manufacturer and part number. Eddy Wireless will inform you of any non-regulatory information and discrepancies if any.

In no event shall Eddy Wireless be liable for any special, direct, indirect, consequential, or incidental damages or any damages whatsoever, whether in an action of contract, negligence or other sort, arising out of or in connection with the mis-use of products or services in non-regulatory regions or countries. Eddy Wireless reserves the right to make additions, deletions, or modification resulting from regulatory updates at any time without prior notice. Eddy Wireless does not warrant that the website is 100% accurate concerning specific product regulatory information.

Eddy Wireless shall comply with manufacturer warranty only when products have been purchased new from Eddy Wireless. Warranties and RMA's will differ from each manufacturer. Please request warranty information prior to purchasing products and services from Eddy Wireless.
